COMMUNITY BANK RESEARCH CONFERENCE, NATIONAL SURVEY, AND TOWN HALL MEETINGS

May 12, 2014

The Conference of State Bank Supervisors (CSBS) and the Federal Reserve will hold the second annual Community Bank Research Conference September 23 – 24, 2014. In preparation for the conference, a survey has been developed by CSBS staff, Federal Reserve staff, and a selected group of academics. The results of the survey will be used to facilitate Town Hall meetings which will provide valuable, qualitative information for the Research Conference.

The survey takes **20-30 minutes** to complete. **It should be submitted by only one person per institution.** We are requesting the survey be completed and submitted by **May 23, 2014.**
