COMMUNITY BANK RESEARCH CONFERENCE - TOWN HALL MEETINGS

May 21, 2014

On May 12, 2014, you received an e-mail from me regarding the Conference of State Bank Supervisors (CSBS) and the Federal Reserve's second annual Community Bank Research Conference. The e-mail contained a survey found at the following link:

<https://surveys.alexanderbabbage.com/surveylogin.asp?k=139637422240>

The survey is anonymous. The Department does not receive bank specific information, nor does it know which banks have or have not completed a survey.

In anticipation of additional survey responses the submission date has been extended to **May 30, 2014**.

Additionally, the Department will be participating in the following Town Hall meetings and we encourage representatives from your institution to attend. You can register to attend at the location of your choice through the registration link below each listing. **Space is limited.**
