Re: 2009 Annual Report Filing Reminder

*** Please disregard if you have already filed your calendar year 2009 annual report. ***

This correspondence serves to remind Mortgage Brokers who were licensed at any time during the 2009 calendar year to file 2009 annual reports no later than February 28, 2010. Filing on or after March 1, 2010 will serve as a basis for disciplinary action including, but not limited to, the assessment of administrative penalties and possible suspension of your license.

All reporting must be done online through the department's Annual Report Collection System at <http://www.sml.state.tx.us:8080/mbar/mbarLogin.jsp>. Also, as a courtesy to provide Mortgage Brokers with further verification of annual report submission, the department has recently updated its online [Residential Mortgage Loan Originator Search Page](#) to display one of two notes on his/her record:

1. CY 2009 annual report filed on *[date]* – date being the Mortgage Broker's **original** submission date
2. CY 2009 annual report filing not received

If you have any questions, you may contact the Division of Licensing via e-mail at licensing@sml.state.tx.us or telephone at 512-475-1350.
