

Texas Department of Savings and Mortgage Lending

From: Caroline C. Jones, Commissioner
To: Hurricane Harvey Relief Fund

FOR YOUR INFORMATION

First and foremost – SML is in close contact with those state savings banks impacted by Hurricane Harvey. We continue to send well wishes for the safety of state savings bank employees, their families, and customers.

For your information: TBA and IBAT, as well as the American Bankers Association, Independent Community Bankers of America, the Texas Department of Banking and the Texas Department of Savings and Mortgage Lending, have established a fund to help the families impacted by Hurricane Harvey.

The Hurricane Harvey Relief fund was established through the Texas Bankers Foundation. Bankers can go to www.texasbankers.com/harvey to donate by [credit card](#) or [check](#). TBA and IBAT will absorb all credit processing fees so that 100 percent of every dollar collected will go directly to the relief effort.

The Texas Bankers Foundation is a 501(c)(3). All corporate and personal contributions are tax deductible. **Checks must be made payable to the Texas Bankers Foundation in order to be tax deductible.**

Caroline C. Jones
Commissioner
